**PAROCHIAL CHURCH COUNCIL OF THE PARISH OF ELY HOLY TRINITY WITH ST MARY  
REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 31 DECEMBER 2023**

**Background**

The PCC is a corporate body established by the Church of England. It operates under the PCC Powers Measure and is a registered charity, number 1133993.

The PCC works in co-operation with the churchwardens, clergy and lay members of the church in promoting the mission of the Lord's people within the Ecclesiastical Parish of Ely. The parish comprises the whole of the City of Ely and the villages of Prickwillow and Queen Adelaide, but members of St Mary's also provide ministry to Holy Cross, Stuntney, and St Michael and All Angels, Chettisham. Where appropriate we also co-operate with the local leaders in the other Ely Team churches (St George's Little Thetford, St James's Stretham, St Leonard's Little Downham).

The PCC is also related by a Pastoral Measure to other parishes in the benefice of the Ely Team Ministry.

**PAROCHIAL CHURCH COUNCIL OF THE PARISH OF ELY HOLY TRINITY WITH ST MARY  
REPORT OF THE TRUSTEES**

**FOR THE YEAR ENDED 31 DECEMBER 2023**

PCC meetings in 2023 were hybrid meetings with the majority of members physically present. The average attendance was 76.2%. In addition to the seven scheduled meetings in January, March, May, July, September, October and November, members also attended several additional meetings to progress the interregnum. One day was spent in May starting the process of developing the Parish Profile. A further meeting took place in June to progress the profile, followed by the section 11 meeting for all impacted parishes. Finally, as part of the process, members attended a presentation by the preferred candidate in July.

The Standing Committee of the PCC also met regularly to support the Ministry Team, to prepare for PCC meetings and to deal with any business that arose in between them. The Annual Parochial Church Meeting (APCM), at which the previous year's accounts were accepted and PCC members elected, was held in person in April. It was attended by some 71 members of the church community, including PCC members.

Since the building transformation project substantially completed in December 2022 the church has been used for 3 weekly services on Sundays and the Market Day Communion on Thursdays. Many other events regularly take place taking full advantage of the new flexibility offered. These include the Open/Warm Space and Bereavement Café for the benefit of the wider Ely community as discussed in last year's report. A full program of services was offered for both Easter and Christmas including the return of our Midnight Communion service. ChristChurch continues to provide a weekly service in the Isle of Ely school.

The PCC is also responsible for the Church Rooms adjacent to the church, but all clergy houses are the responsibility of the Diocese.

#### **Objectives**

The objectives of the PCC continue to be the promotion of the Gospel of our Lord Jesus Christ according to the doctrines and practices of the Church of England, and to reach every home in Ely with the good news of Jesus. In 2022 we continued to base our planning and activities on the Diocesan mission principles of Engage, Grow and Deepen together with the Five Marks of Mission. The worshipping community of ChristChurch North Ely, established in the Isle of Ely School in 2016, continued to serve the north of the city and develop its own vision within the same guiding principles.

##### Thanks

As always, we are very thankful for everyone who gives up their time and energy to maintain our buildings and grounds so well. We are particularly grateful to Derek Tye who leads the building team, organising and overseeing the maintenance of buildings and grounds. However, it takes a team, and if you are one of the cleaning team, flower team, garden, or maintenance team who have carried out tasks so diligently, and largely unseen, this is for you. THANK YOU!

##### Quinquennial Inspection Report & Repairs

In July 2021, our Architect carried out the five-yearly survey on the condition of our Grade 1 Listed building. His report detailed a number of areas requiring attention in the next two years.

**PAROCHIAL CHURCH COUNCIL OF THE PARISH OF ELY HOLY TRINITY WITH ST MARY  
REPORT OF THE TRUSTEES**

**FOR THE YEAR ENDED 31 DECEMBER 2023**

Recommendations included replacement of cracked ridge tiles on the nave roof, loose tiles on the chancel roof, repairs to mortar on walls and buttresses, and repairs to hoppers and downpipes.

In 2023 repairs have been carried out to the South Aisle roof to prevent rainwater entering the building. Rainwater drains were checked and cleared where necessary and the lower-level gutters cleared. Quotes have been received for new hoppers and downpipes for the South Aisle and the relevant permissions are being obtained. Repairs were also carried out to the Lady Chapel window.

In last year's report we identified issues with damp in the church rooms, it was then discovered to be an issue in the disabled toilet. With that fixed we were able to dry out the area and have been monitoring for any signs of damp since.

The final snagging meeting was held for the BTP in the main church with Coulsons, and some items were rectified including fixing an area of the ledger stones in the Lady Chapel, so they are safer, and providing more sockets by the organ.

#### Church Grounds

St Mary's church grounds are classified as a 'closed churchyard' which means that burials no longer take place. A small area of ground at the rear of the church building is set aside for the burial of cremated remains. The maintenance of the perimeter walls, trees within the grounds, and the grounds themselves is the responsibility of East Cambs District Council (ECDC).

In this year ECDC have carried out extensive works to the trees within the grounds of St Mary's. We wish to place on record our sincere thanks to ECDC, and particularly their employees who maintain the grounds to such a high standard.

#### Church Property Register

The Church Property Register includes the inventory which records all items belonging to the church and a detailed record of all alterations, additions and repairs carried out. One of the duties of churchwardens is to check the inventory at least once a year. With the BTP there have been many additions and changes to make, and that work has been started and will be completed in 2024.

#### Plans for 2024

Having completed a small refresh of the toilets in 2022, BTP part 2 is now being explored. This will include the remodelling of the WCs, including being more accessible for disabilities. Consideration is also being given to storage and office space, which may include re-designing the wooden floored area and the meeting room.

#### ***Finance***

Total income in 2023 was £335,082 (2022 £786,015), of which £234,151 was general (unrestricted) income and £100,930 was restricted to specific purposes. £50,636 of this restricted income was for the Building Transformation Programme (BTP); £24,830 for the CAP Debt Centre; £18,123 for the Toilets Project; and £7,341 for charity and mission causes other than CAP (including c£4,000 in aid for victims of the Turkish earthquake). The decrease in overall income compared to 2022 was due to the decrease in restricted donations following completion of the BTP. Unrestricted income rose by almost £31,000 over the year as the reopening of the church building led to a recovery in income from weddings, funerals and hire of premises, and rising interest rates led to increased income on our reserves. Income from individual giving including Gift Aid was up £772 on the previous year.

The £234,151 of unrestricted income was raised through the Church's everyday activities: £154,862 (2022 £153,756) from unrestricted personal giving; £33,069 (2022 £33,403) from Gift Aid on these gifts; £35,143 (2022 £11,506) from fees and hire charges; £6,655 (2022 £2,278) from investment

**PAROCHIAL CHURCH COUNCIL OF THE PARISH OF ELY HOLY TRINITY WITH ST MARY  
REPORT OF THE TRUSTEES**

**FOR THE YEAR ENDED 31 DECEMBER 2023**

income; and £4,422 (2022 £1,924) raised in other ways. This figure of £234,151 includes income items netted off against expenditure in the Management Accounts (£369) and includes expenditure items netted off against income in the Management Accounts, mainly wedding & funeral expenses (£12,127). When netted down, this gives the overall general income of £221,655 shown in the Management Accounts.

Total spending in 2023 was £339,294 (2022 £1,281,308), of which £236,965 was spending of unrestricted funds and £102,329 was spending of restricted funds. £68,932 of this restricted expenditure was on the Building Transformation Project; £24,440 was on running the CAP Debt Centre; £7,341 was funds raised and sent to our various charity and mission partners; £1,000 was on heating for our 'Warm Space' sessions; and £616 was on the Toilets Project. The £236,965 of unrestricted expenditure includes expenditure items netted off against income in the Management Accounts (£12,127), mainly wedding, funeral and memorial expenses; it also includes income items netted off against expenditure in the Management Accounts (£369). When netted down, this leaves a figure of £224,469. This figure, plus transfer to reserves (£10,000), less Year 2 depreciation of BTP items (£22,500), gives the overall general spending of £211,969 shown in the Management Accounts.

Thus we ended the year with a net unrestricted deficit of £2,814, which after allowing for the £10,000 reserves transfer and £22,500 depreciation, corresponds to the £9,686 surplus on our everyday income and expenditure shown in the Managements Accounts.

Total unrestricted giving including Gift Aid was £187,931, which was £772 up on 2022. Ten new members started regular giving whilst eleven left, so the number of regular (monthly, quarterly or annual) givers decreased by one to 132 (2022 133), of whom 98 were using the Parish Giving Scheme. Of the existing donors 46 increased their monthly commitments during the year whilst one reduced theirs.

The largest single item in our spending was £98,111 (2022 £89,551) on the 'Ministry Share' paid to the Diocese, to cover the clergy and central church costs. Giving to our charity and mission partners (including our contributions to the CAP Debt Centre) was £23,253, of which £13,173 came from fundraising and £10,080 from general church funds. This more than met our 10% target for giving, with 10.58% of our relevant unrestricted income being devoted to charitable giving.

#### Building Transformation Project (BTP)

During 2023 £33,636 of VAT for the BTP was recovered, and a grant of £17,000 was received from East Cambridgeshire District Council (ECDC) Community Infrastructure Levy Fund. We are very grateful indeed for this grant support. A total of £68,932 (including VAT) was spent on the project.

The balance of funds available at the year-end was £21,107, and £4,871 of VAT was due to be reclaimed. The VAT reclaim was not certain to be paid, so whilst this potential sum is noted here it has therefore not been included as a debtor.

#### CAP Debt Centre

During 2023, £26,535 was donated for this project, of which £19,146 was given by other churches and individuals, £2,520 provided from St Mary's PCC general funds and £4,869 came from fundraising. £25,880 was spent on the Debt Centre, giving an operating surplus of £655 for the year. A balance of £26,262 was brought forward from 2022, and a balance of £26,916 is carried forward to 2024.

**PAROCHIAL CHURCH COUNCIL OF THE PARISH OF ELY HOLY TRINITY WITH ST MARY  
REPORT OF THE TRUSTEES**

**FOR THE YEAR ENDED 31 DECEMBER 2023**

CAP Debt Centre Insolvencies Fund

A balance of £2,362 was brought forward from 2022 in this fund, which exists to help clients pay insolvency fees. £815 was received for this fund and £1,080 was spent during the year, meaning a balance of £2,097 is carried forward to 2024.

**Reserves**

The PCC reviews its Reserves Policy each year; it was last revised on 1 April 2019.

For General Reserves the aim is to keep two months' running costs (c£35,300 in 2023) to cover unforeseen emergencies, and at 31 December £36,400 was held in the General Reserves fund (note 10a), meaning our General Reserves requirement is met.

For Building Reserves the aim is to have £50,000 of funds designated for building repair work by the time of each Quinquennial Inspection. The balance held in Building Reserves at the year-end was £60,367, so this reserves requirement was also met. The Building Reserves are not restricted funds, they are funds from general income which the PCC has designated for the purpose of building repairs, but they are still available to spend as the PCC chooses. The PCC aims to replenish these reserves when possible each year; a total of £10,000 has been budgeted for this purpose in 2024

**Risk Management**

The Trustees have examined the major strategic, business and operational risks which the PCC faces and confirm that systems have been established to enable regular reports to be produced so that such risks are continuously monitored and that appropriate steps can be taken to lessen these risks.

The main risks that affect the PCC are:

- a) an unexpected fall in income, which is mitigated by the General Reserves fund;
- b) damage to buildings, which is mitigated by insurance;
- c) unexpected buildings repairs, which is mitigated by the Buildings Reserves fund; and
- d) breaches of safeguarding, which is mitigated by the PCC's safeguarding policy, training, and DBS checks.

**Fundraising Statement**

Section 162a of the Charities Act 2011 requires charities to make a statement regarding fundraising activities. In relation to the above we confirm that all solicitations are managed internally, without involvement of commercial participators or professional fundraisers, or third parties. The day-to-day management of all income generation is delegated to the charity's management team.

Although the Charity is not required to be bound by any regulatory scheme, the Charity complies with the relevant codes of practice. We have received no complaints (2022 – none) in relation to fundraising activities. Our terms of employment require staff to behave reasonably at all times; as we do not approach individuals for funds, we do not specify such terms to fundraising activities and nor do we consider it necessary to design specific procedures to monitor such activities.

**PAROCHIAL CHURCH COUNCIL OF THE PARISH OF ELY HOLY TRINITY WITH ST MARY  
REPORT OF THE TRUSTEES**

**FOR THE YEAR ENDED 31 DECEMBER 2023**

**People**

There were 298 people on the church's Electoral Roll at the time of the 2023 APCM (held on 23 April), including 21 who worshipped at ChristChurch North Ely and 67 who lived outside the parish (our thanks to Elizabeth Anderson, our Electoral Roll Officer, for this information). We continue to welcome all who wish to worship the triune God with us and seek to enable as many as possible to discover and exercise their ministries for Christ, both within and outside the church community.

**Safeguarding**

Our safeguarding team, headed by Revd Phil Marsh, Mrs Sue Morley, Mrs Chris Watson, continued to coordinate the regular cycle of DBS checks and safeguarding training required by the diocese, while Mrs Ruth James continued to help with the administration of this and made further progress with producing job descriptions for all our volunteers. The safeguarding team completed our Safer Recruitment guidelines preparatory rolling them out to all our team leaders. The PCC is conscious of the need to have 'due regard' to safeguarding guidance issued by the House of Bishops, including both policy and practice guidance, and it reviewed and approved the church's Safeguarding policy at its January meeting. Safeguarding is a standing item on the agenda for all Standing Committee and PCC business meetings.

**Staff**

Revd Chris Hill retired in April after 10 years of faithful leadership and service. Liz Taylor and Poppy Crooks navigated us successfully through an intense but mercifully short interregnum. Thankfully, Revd Phil Marsh was led to apply to be Priest in Charge and was licensed in September. Throughout the interregnum and onwards we have been blessed by the ministry of Phil and Revd Ruth Holmes as our curate.

We are very grateful to Jeremy James, Stephen Leeke and Karen Burnett-Hall, our retired clergy, who continue to give of their time and energy so generously throughout the year in support of the leadership team, and to everyone else – our office staff, LLMs and other volunteers – who played their part in making sure that the ministry and mission of St Mary's could continue through another challenging year.

Discussions about the future structure and financing of the Ely Deanery, of which St Mary's is a part, continued in 2023.

The policy of the PCC for the staff whose pay we set is to ensure our default pay increase will be the same percentage as the Ely clergy increase for the year (5% in 2023), and that none of our employees earns below the 'Real Living Wage'. However, for 2023 only, we increased our staff salaries by 10% rather than 5% to reduce the effective cut in their real incomes that had occurred in recent years.

TRUSTEES' RESPONSIBILITIES STATEMENT**

FOR THE YEAR ENDED 31 DECEMBER 2023

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the income and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP (FRS 102) October 2019
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT EXAMINERS REPORT TO THE PAROCHIAL CHURCH COUNCIL OF THE  
PARISH OF ELY HOLY TRINITY WITH ST MARY  
FOR THE YEAR ENDED 31 DECEMBER 2023**

I report on the accounts of the charity for the year ended 31 December 2023 which are set out on pages 8 - 16..

**Respective responsibilities of trustees and examiner**

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Basis of independent examiner's report**

Our examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. Accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The financial statements were approved by the Parochial Church Council meeting and signed on their behalf by:

**PAROCHIAL CHURCH COUNCIL OF THE PARISH OF ELY HOLY TRINITY WITH ST MARY  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2023**

## **1. ACCOUNTING POLICIES**

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

### **1a Basis of Preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2016) - (Charities SORP (FRS 102)).

The financial statements have been prepared under the historical cost convention except for the valuation of investment assets, which are shown at market value. The financial statements include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body, nor those that are informal gatherings of church members. (e.g. Flower Group, Bell Ringers, Monday Club).

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard 102 (FRS 102) (effective 1 January 2016, updated October 2019) rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The charity, registered in England, United Kingdom, has taken advantage of the exemption in FRS102 (as amended by the SORP Bulletin in February 2017) from the requirement to produce a cash flow statement on the grounds that it is a small charity.

### **1b Going Concern**

The PCC has set a prudent budget for 2024, with the expectation that income will be sufficient to cover expenditure. The PCC also holds £36,400 in General Reserves which can be used if required to cover unplanned falls in income. The Trustees consider the resources available to the PCC will be sufficient for it to continue as a going concern. In addition, the largest expenditure faced by the PCC is the Ministry Share payment to the Church of England. Whilst this is a moral requirement, there is no legal commitment to make this payment and in extremis, these payments could be reduced or ceased. The financial statements do not contain any adjustments that would be required if the PCC were not able to continue as a going concern.

### **1c Funds**

*Endowment funds* are funds, the capital of which must be maintained; only income arising from investment of the endowment may be used either as restricted or unrestricted funds depending upon the purpose for which the endowment was established.

*Expendable endowment funds* are funds that must be invested to produce income. There is no actual requirement to spend the principal for the purposes of the charity unless or until the trustees decide to. Income generated from expendable endowment is no different from income generated from permanent endowment, and should be spent for the purpose of the charity within a reasonable time of receipt.

*Restricted funds* represent;

income from trusts or endowments which may be expended only on those restricted objects provided in the terms of the trust or bequest, and

donations or grants received for a specific object or invited by the PCC for a specific object.

The funds may only be expended on the specific object for which they were given. Any balance remaining unspent at the end of each year must be carried forward as a balance on that fund. The PCC does usually invest separately for each fund. Where there is no separate investment, interest is apportioned to individual funds on an average balance basis.

**PAROCHIAL CHURCH COUNCIL OF THE PARISH OF ELY HOLY TRINITY WITH ST MARY  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2023**

*Unrestricted funds* or General funds represent the funds of the PCC that are not subject to any restrictions regarding their use and are available for application on the general purposes of the PCC. Funds designated for a particular purpose by the PCC are also unrestricted.

#### **1d Income**

##### ***Voluntary income and capital sources***

Donations, legacies and other trading income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably. Collections are recognised when received by, or on behalf of, the PCC. Planned giving receivable under covenant and gift aid is only recognised upon receipt. Income tax recoverable on covenants or gift aid donations is recognised at the same time the covenant or gift aid donation is recognised.

Income from grants is recognised when there is evidence of entitlement to the grant, receipt is probable and its amount can be measured reliably. Evidence of entitlement of the grant exists when the formal offer of funding is communicated in writing to the PCC. However, some grants will contain terms or conditions that must be met before the PCC has entitlement to the resources.

##### ***Income from investments***

Investment income includes income from investment assets, including dividends and interest receivable, but excludes realised and unrealised investment gains and losses.

Dividends and interest are accounted for when receivable. Tax recoverable on such income is recognised in the same accounting year.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity. This is normally upon notification of the interest paid or payable by the bank.

##### ***Gains and losses in investments***

Realised gains or losses are recognised when investments are sold. Unrealised gains or losses are accounted for at 31 December.

##### ***Activities directly relating to the work of the Church***

The parish share is accounted for when payable. Any parish share unpaid at 31 December is provided for in these accounts as an operational (though not a legal) liability and is shown as a creditor in the Balance Sheet.

#### **1e Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis.

Expenditure on charitable activities includes grants made to institutions. Grants and donations are accounted for when paid over, or when awarded, if that award creates a binding or constructive obligation on the PCC.

The diocesan parish share is accounted for when due. Amounts received specifically for mission are dealt with as restricted funds. All other expenditure is recognised when incurred.

**PAROCHIAL CHURCH COUNCIL OF THE PARISH OF ELY HOLY TRINITY WITH ST MARY  
NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2023**

**1f Fixed Assets**

***Consecrated land and buildings and movable church furnishings***

Consecrated and beneficed property is excluded from the accounts by s.10(2)(a) and (c) of the Charities Act 2011 and as such, these assets are not capitalised in the financial statements.

No value is placed on movable church furnishings held by the churchwardens on special trust for the PCC and which require a faculty for disposal since the PCC considers this to be inalienable property. All expenditure incurred during the year in consecrated or benefice building and movable church furnishings, whether maintenance or improvement, is written off as expenditure in the SOFA and separately disclosed.

***Other fixtures, fittings and office equipment***

Equipment used within the church premises is depreciated on a straight line basis over 4 years. Individual items of equipment with a purchase price of £3,000 or less are written off when the asset is acquired.

***Heritage assets***

Heritage assets are recognised at cost, but are not recognised on the balance sheet as information on the cost of the assets is not available and such information cannot be obtained at a cost commensurate with the benefit to the users of the financial statements and to the PCC.

The Charity owns six pieces of silver belonging to the Church, which are held in safekeeping at the Fitzwilliam Museum, Cambridge. These items acquired before the 1 January 2008 have not been capitalised because the cost of doing so is not practicable in accordance with section 18 of the Charity SORP 2015. These are the only heritage assets owned by the charity, and there have been no other heritage asset transactions or movements in the previous five years.

***Investments***

Fixed asset investments are held to generate income and exclude investments held specifically for sale or investments that are expected to be realised in the next 12 months. Investment gains and losses, whether realised or unrealised, are combined and shown in the Statement of Financial Activities.

Unlisted equity investments are measured initially at cost and subsequently measured at fair value at 31 December.

**1g Current assets**

Amounts owing to the PCC at 31 December in respect of fees, rents or other income are shown as debtors less provision for amounts that may prove uncollectible.

Short-term deposits include cash held on deposit either with the CBF Church of England Funds or at the various banks.

**1h Financial instruments**

The charity only has financial assets and liabilities that qualify as basic financial instruments, which are all measured at cost.

**1i Key sources of judgement and estimate uncertainty**

No significant judgements, accounting policies or assumptions have been made by management in applying the charity's accounting policies.
